BANKERS MET HERE IN SEMI-ANNUAL MEETING

GROUP NO. 1 HAD A VERY
SUCCESSFUL SESSION
YESTERDAY

TWO SPEAKERS

Messrs. B. F. Mauldin and T. Frank
Watkins Delivered Addresses
Supper Served

The semi-annual meeting of the bankers of Group 1 South Carolina Bankers' association was held in Anderson yesterday afternoon, the session beginning at 3:30 o'clock in the rooms of the chamber of commerce. The banks of the city closed at 12 o'clock because of this meeting and to allow the local bankers to greet the visitors. About 25 visiting bankers from Oconee, Pickens, Greenville and Anderson were present.

Only two addresses were made at the meeting yesterday, one being by Mr. B. F. Mauldin, president of the Bank of Anderson, his subject being "The Old and New Banking." Mr. Mauldin has been in the banking business for the past 44 years and he has made a splendid success of it. He is recognized as one of the leading bankers in South Carolina and others of the same profession are always glad to hear him tell of his experiences. His address yesterday dealt with some of the systems of several years ago, and of the new systems today. The speech was delivered in a very interesting way and contained some valuable information.

The other address was delivered by Mr. T. Frank Watkins, a prominent attorney of the local bar and president of the chamber of commerce. Mr. Watkins' subject was "Rural Credits." The speaker was very well informed on his subject and gave a most interesting and helpful discussion of the matter that is today attracting wide attention. He told of the efforts in the past to have suitable bills passed by congress, the necessity and importance of having the proper bill passed, and the efforts that were now being put forth to get the proper measure through.

Mr. W. W. Long of Clemson college, who was to discuss marketing and the relationship to business men and bankers, was unable to be present.

After the speeches and the business session, a delightful supper was served in the room adjoining that of the chamber of commerce by the ladies of the Philathea class of St. John's Methodist church.

The meeting yesterday was the last to be held of the present session. Hereafter the groups will be divided according to the congressional districts.

CASES DISPOSED OF IN COURT YESTERDAY

TWO SENTENCES SUSPEND-
ED UPON CERTAIN
CONDITIONS

ONE NOT GUILTY

A. H. Mitchell Found Not Guilty
Of Issuing Worthless
Check

Three cases were disposed of in criminal court yesterday, all of these being minor cases which did not attract much attention.

The case of A. H. Mitchell, indicted for issuing a worthless check, was continued from Monday afternoon. The case went to the jury yesterday morning, a verdict of not guilty being returned.

The next case was that of W. L. Hubbard and Edgar Hubbard for violation of the dispensary law. They were tried, a verdict of guilty being returned against the former. He was sentenced to 18 months, this being suspended until the defendant is again adjudged guilty. If this be the case, Hubbard will have to serve whatever sentence is passed at that time and also the suspended sentence. This is not the first time that Hubbard has been convicted on a charge of this kind.

The last case to be taken up during the afternoon was that of J. B. Carroll for violation of the dispensary law. He was found guilty and sentenced to three months, this being suspended with the same condition as in the above case.

Court will in all probability adjourn before the end of the week.

DEATH MR. ADOLPH GEISBERG

Occurred in Athens, Ga., Yesterday
Morning 9 O'clock.

News reached the city yesterday morning of the death of Mr. Adolph Geisberg, which occurred at the home of his sister, Mrs. Sol J. Boley in Athens, Ga., yesterday morning at 9 o'clock. The funeral services will be held in Athens and interment made there.

Mr. Geisberg was 32 years old and the son of Mr. and Mrs. O. Geisberg of Anderson. For the past two or three years he has been living in Atlanta, Ga., where his health became impaired, which was the cause of his moving back home. He is survived by his parents, his wife, who was Miss Maud Moore of Louisville Ky., two daughters, aged three years and 18 months respectively, and the following brothers and sisters: Miss Dora Geisberg, Mr. Leopold Geisberg, Mrs. Sol J. Boley of Athens, Mr. Isadore Geisberg, Mr. Max Geisberg, Mrs. G. A. Rubenstein, Mr. Harry Geisberg and Miss Marie Geisberg.

Mr. Geisberg was one of the best known young men in Anderson. Although almost an invalid for the past two years, he has continued to work, and never complained. He had a large circle of friends not only in Anderson but also in Atlanta, all of whom learn of his death with sincere regret.

Mr. Geisberg left Anderson last Friday for Lick Springs, Ind., where he was going in an attempt to have his health improved. He decided to stop over with his sister in Athens for a few days and it was while there that he became worse. His wife and children joined him during Monday and that afternoon other members of the family here were advised of his serious condition. His mother and Mr. and Mrs. Harry Geisberg left for Athens Monday afternoon in an automobile.

Mr. Glenn to Hospital.

Mr. L. M. Glenn, who has been ill for the past 10 days, was carried to the hospital yesterday afternoon. He expects to be out by the end of the week.

MAKING PLANS FOR BIG CELEBRATION

AT IVA ON FRIDAY NIGHT
WHEN LIGHTS WILL BE
TURNED ON

ANDERSON MEN

Will Attend The Affair And Sev-
eral Will Make Speeches—
Banquet Afterwards

The people of Iva are preparing for a big celebration of the turning on of the electric lights in that community on Friday night. Several people from Anderson will attend the celebration.

The exercises begin in the school house auditorium on Friday evening at 7 o'clock, to which everyone is cordially invited. Speeches will be made by Messrs. J. H. Godfrey, mayor of the city of Anderson, Mr. Leon L. Rice and H. A. Orr of Anderson and the Rev. S. J. Hood of Iva. After these speeches those present will march over to the substation and the current will be turned on with the proper ceremonies.

Immediately after this a banquet will be served at the home of Mr. W. Frank McGee, to which the speakers of the evening, the present mayor and aldermen of the town and the former mayors are invited.

Mr. S. E. Laverette is now mayor of Iva and the following are aldermen: Messrs. D. A. Burris, B. W. Lewis, C. D. Evans and W. Frank McGee.

Mr. Frank McGee was a visitor to the city yesterday and stated that owing to the fact that the school commencement was to be held at Iva also on the same night, it would be necessary for the exercises to begin promptly at 7 o'clock. There is to be a play given in connection with closing exercises, and this will cause many to attend who otherwise would not be present. These exercises prevent the celebration from taking larger proportions.

The people of Iva are very much enthused over the fact that they are now to have electric lights, and they have a right to be, since it is seldom that a town of that size is so equipped.

MR. SANDERS THANKFUL FOR SUPPORT RECEIVED

To those who were responsible for my entering the race for Mayor for the city of Anderson and who gave me their support I am duly thankful. And for those who voted for the successful candidate I have but the best of good feeling. To believe that any one could have, at heart, any other than the best interests of the city and her people is foreign to my way of thinking and I cheerfully abide by the results of today's primary.

Again thanking my friends for their loyal support, I am,

Very truly,

WADE A. SANDERS.

Educators Of South Have Endorsed Great Picture

Sadness, Happiness, Pleasure, Tears and Sunshine
All Come and Go Like The Ripple of Water As
The Mighty Spectacle, "The Birth of a Nation," Is
Witnessed.

Teachers, parents and clubwomen of the south have been lavish in their praise of "The Birth of a Nation," the mighty spectacle which comes to the Anderson theatre Monday, Tuesday and Wednesday. When the spectacle was shown in Norfolk early in the season Mrs. Frank Anthony Walke wrote the following letter to the Norfolk Ledger-Dispatch:

"The Birth of a Nation" is wonderful... Ku Klux Klan! What they suffered, lost and braved! This was an errand of knights sent to make things work out as it was desired and none but the men could have accomplished it... There is much that makes one's heart ache; much that brings pleasure and happiness; tears and sunshine are well coupled. "The Birth of a Nation" is a revelation and history carried out."

In resolutions adopted a short time before, the members of the John H. Reagan chapter, Los Angeles, expressed themselves thus: "In endorsing the splendid production of 'The Birth of a Nation' the John H. Reagan chapter, U. D. C., feel a great privilege. The wrongs of history righted, the fair presentation of that side of the question never known to Northerners, and the wonderful spectacle itself is an education and an artistic treat to the entire Union. The resolutions were forwarded to D. W. Griffith, producer of 'The Birth of a Nation' by Isabelle O. J. Davis, 1128 Logan street, Los Angeles, acting president of the John H. Reagan chapter.

Seats for the engagement of 'The Birth of a Nation' were placed on sale at the Anderson theatre box office Monday morning and they are selling fast. Matinees have been arranged for Tuesday and Wednesday making five performances in all.
